Under GO 352 I of 28/4/98, printing of 150 copies of the History of the Buckingham Canal was sanctioned in accordance with a list printed therewith: the same number may suffice in this case

It is not quite clear whether Mr. Leeming wishes 400 copies or 150 copies to be printed. Has the 400 copies of the Kistna Works History been found too many? ~~They~~ It is ~~not~~ likely that there will be a ~~great~~ greater demand for the Periyar History than for the Buckingham Canal History.

These 400 can be printed, as 300 copies were sanctioned for Godavary. A.S.H.
